Computer Science & Engineering

Computer Science & Engineering

The Department of Computer Science and Engineering was established in 1984. The Department, since its inception, has maintained a steady growth in every sphere of its activities and played an important role in bringing a vibrant and forward-looking academic environment. Department is offering high quality undergraduate and postgraduate Engineering courses as well as providing an excellent infrastructure and facilities for state of the art technical education and research. The Department has research centre of Swami Ramanand Teerth Marathwada University, Nanded & Dr. Babasaheb Ambedkar Technological University, Lonere for Ph.D. in CSE. The Department has received research grants of Rs. 59.99 Lakhs from different funding agencies such as BARC Mumbai, AICTE Delhi and AMUPMDC Mumbai. The Department of Computer Science & Engineering strives for excellence in creating, applying, and imparting knowledge in Computer Science and Engineering through comprehensive educational programs, research in collaboration with industry and government, dissemination through scholarly publications, and service to professional societies, the community, the State, and the Nation.

Dr. Rajurkar A.M.
Head, Department of CSE
